Dear Mark,

Thank you so very much for a tremendous magic show. Your Holiday Extravaganza was a perfect kickoff to our holiday programming. I especially loved how you made the magic show entertaining for children and their parents. I don't think that there was a soul in that room that was not entertained. You relate beautifully to your audience and the faces of magic and wonder were priceless. Thank you for sharing your gift with the Roxbury community.

Sincerely,

Lia Carruthers
